CHINOOK BOOK FAQ's

What is Chinook Book?

Chinook Book gathers great offers from a carefully selected community of local businesses who are committed to environmental and socially responsible business practices. Offers are distributed via an annual print book or a 12-month mobile app subscription.

What kinds of offers are featured?

You'll find discounts at farm-to-table restaurants, coffee shops and cafes, natural and organic groceries, outdoor gear and family entertainment, sustainable home and garden solutions, locally made gifts and fashion, as well as salons, spas and other wellness services.

Are the same offers available in the book and the app?

Most merchants make the same offer available in the print book and the mobile app. However, the mobile app also adds new offers from different merchants each month throughout the year, and there are some merchants who are only in the mobile app. All print books include a 12-month subscription to the mobile app, so everyone with a print book gets all offers!

When are offers valid?

In the print book, all offers are available immediately and are good through October 31, 2020 unless otherwise noted. Offers in the app start and end at different times and last 12 months to as short as 2 weeks.

Why use the app?

The app offers easy ways to find nearby offers, reminders to use your favorites and new offers each month to keep you exploring and saving all year. Other handy app features:

Sort your offers by what's new, what's expiring and what's nearby or popular

Use when you travel to any of the 5 Chinook Book areas including Seattle & Puget Sound, Portland & Willamette Valley, the San Francisco Bay Area, the Twin Cities and Denver & Boulder

Track your savings in the app. To see your history of savings, tap on the menu icon and then My Savings. From there you can review your transactions
