

To all Ballard Performing Arts families and friends,

We are excited to announce that our 2nd Annual Mattress Fundraiser is scheduled for Saturday, June 1st! This fundraiser was very successful for us last year, earning us \$7,600, and we need everyone's help to make it even more successful this year!

Groups like ours all over the country have raised over \$40 million dollars in the past 14 years through this easy one-day event! Now that's some serious money! We know it sounds crazy but 10% of the population will buy a mattress this year and we NEED every family to go out and find 2 or 3 people that are in the market for a new mattress and have them come check out our sale. People you talked to last year may actually need one this year so leave no stone unturned!

The event will be right here at Ballard High School, with the Gym being turned into a mobile mattress showroom with 30 brand name mattresses on display. They will also have luxury pillows, sheets, mattress protectors, frames and adjustable bed frames. Really anything you can get from a mattress store, you can get here! If you need delivery, haul away of an old mattress or even financing, it is available! Watch this short video to see one of these events in action... Please do your part and go out and talk to everyone that you know and find 2 or 3 people in the market for a new mattress and invite them to the sale! It's up to us to make this a success!

Thanks in advance for your support,
