*\*\*There are many food options in the Parks and Downtown Disney, especially with the Food & Wine Festival happening in DCA. Counter service and food carts are the most affordable. A conservative guideline for food costs is \$5-10 for snacks /\$10-15 for casual lunch or dinner and \$15-35 for table service meals.*

**Helpful Hints**

It will be a busy time of year in the Parks. To minimize lines on rides, avoid waiting at many counter service locations, as well as have a map of the parks, we strongly suggest each person download the [Disneyland Mobile App](#). The Disney App allows persons to arrange FastPasses, order and pay for meals online and pick up at the counter, as well as find the nearest restroom and its wait time, etc.

Also, take a picture of this itinerary so it is with you at all times! There are important call times at specific locations that we cannot afford to miss!
