

The major topics SCPTSA has on current plate include:

1. School safety -- helping families experiencing discrimination or hate incidents, or bullying, harassment, etc., and wanting input on dealing with "bad" teachers and principals.
2. Anti-racism policies, trainings for SPS
3. new issue of SBA standardized testing for grades 3-8 is objected to by many.
4. some want School Board to fire Superintendent Juneau, as not sufficiently anti-racist or engaged or accountable, or effective, or responsive, or good enough. This will come to vote at next School board meeting.
5. return to school, hybrid, outdoor learning ongoing public engagement around this.

In other Legislative News:

The 36th Legislators legislative session preview event is Sunday night.
