This year we ask that you Give Big to help us reach our fundraising goal of $10,000. We are faced with a significant budget shortfall due to school closures during the Coronavirus Pandemic. The closure has impacted our ability to hold several crucial fundraisers. As a result, this will negatively affect our budget for the next school year. The money raised will be used for basic operating expenses in order to fund our performing arts program and will allow the teachers to continue providing quality music and theatre education for our students. We do not receive any money from the Seattle School District or from the State. The program is totally dependent on your generosity. Please give what you can. Thank you for your support and commitment to outstanding performing arts education!
