<b>November 2<sup>nd</sup> – November 9<sup>th</sup></b>	<b>Campaign Week</b> - Campaigning is an important part of the election process. There will be more information to come on these guidelines.</b> Candidates should not spend any additional money on special papers, candies, buttons, etc. Make sure your peers know who you are, what position you are running for, and why. Make them want to vote for YOU! The Voter's Guide will be distributed this week as well. Only ELECTED positions will be in the Voter's Guide. Encourage your classmates to read about you and other candidates so they can make an informed decision.
<b>Opens November 9<sup>th</sup></b> <b>Closes November 10<sup>th</sup></b>	<b>General Elections</b> – The link to voting will go out on November 9 <sup>th</sup> and the 'polls' will close on November 10 <sup>th</sup> at 4pm.

## **Intent to Run Declaration – Part 1 of Application**

To make sure that you fully understand the rules and have read everything carefully, **please type up the following statement in the box word for word**, filling in some blanks with your information, and send it in a document as part of your application.

I, (*full first & last name*), am choosing to run for Freshmen Ambassador. I am prepared to complete the work required to participate in the election, and am prepared to be an involved member of ASB next year if I make it through the election process. I acknowledge that I have read the rules and regulations for being on ASB at Ballard High School and agree to abide by them.

## **Voters' Guide Questions – Part 2 of Application**

If you are running for any ELECTED position, **your answers will be published** in the Voter's Guide that will be distributed during Campaign Week to help students make their decisions for the Primary Election. If you are running for any APPOINTED position, **your answers will be used by those interviewing you** to get a better sense of who you are before the interview.

**Required Question:**

- How will you represent your class during remote learning and connect everyone?

**Choose 2 of the next 4**

1. What is the most important value you believe a leader should have?
2. Why are you the best candidate for your position?
3. If elected, how would you increase school spirit and participation at Ballard?
4. What event or activity would you like to lead at Ballard and why?

## **Pre-Recorded Video Speech – Part 3 of Application**

Because of remote learning, those running for an elected position will **deliver your speech in a pre-recorded 60 second video clip (no longer)** that will be edited together with your opponent's speeches and sent out to your peers prior to voting. Your video should **be filmed in landscape format (horizontal, not vertical)**. Email your video file along with Parts 1 & 2 of your Application for a complete application.

Introduce yourself to those voting for you! Be sure to include what position you are running for and why you think you are the best choice for that position. Tell your class about new and exciting things you would like to accomplish at Ballard, and what changes you would like to see made. Share your values! Comment on what are you most passionate about and excited for regarding the duties of your specific position.

This is a new dynamic in the election (having speeches be delivered by video). Feel free to be fun and creative, while keeping your speech substantive and appropriate.
