

Come help to continue the excellence for all students in the BPA programs

The Ballard Performing Arts Boosters are one board supporting all 4 programs. We are mighty but we need your help to keep up the current level of support for our directors. We help so they can teach.

We have jobs big and small, short time intensive, less time but throughout the year, and more. We have a good group of veterans on the board to help new recruits!

## Board Positions:

VP Communications – must attend monthly meetings

This job is to coordinate the existing communications positions and be sure that events are balanced out over the weeks/year.

Jr Fundraiser – must attend monthly meetings

This person doesn't run the big events. Job is to schedule and promote smaller events like Eat Out Nights and our Passive Fundraisers (Ballard Market Receipts, Fred Meyer Rewards, Amazon Smiles, matching funds & Bartell's B )

Volunteer Advertiser/Acknowledger – must attend monthly meeting

You don't have to recruit all the volunteers, just ask for them! This position creates sign up geniuses and thanks volunteers after each event.

Marching Band Uniform Lead – does not need to attend monthly meetings

Mid-August to October, then a few days over the rest of the year. This is a great job for someone who like to organize! We need someone to stage and supervise the fittings, order items, and track repairs. We already have a super team of parents ready to assist at all football game check ins and outs. This is only for Marching Band uniforms, no concert tuxes or dresses.

Social Media – can choose to come to monthly meetings

We need someone to do FB, Twitter and Instagram for all our groups. You can use the Events Calendar and current enews for content. Photos, videos, and graphics will be sent to you – you don't have to gather or create those.

Chinook Book Sales – does not need to attend monthly meetings

Mid-September to end of October. Explain to students how the fundraiser works, check out the inventory, collect the money and track students and sales.

Coffee Sales – does not need to attend monthly meetings

Mid-October to mid-November and mid-April to May

Explain to students how the fundraiser works. Students presell coffee and collect the money. Coffee Lead tracks sales, orders coffee and distributes at the Winter and Spring Concerts.

Grant Writers – work anytime!

Photographers – we see you out there at the concerts snapping away! Share you best 10 with us

Videographers – same as above
