

# SUMMER ENRICHMENT SCHOLARSHIP

## Student Application instructions:

### Part 1 – Student Application Form

All applications will be evaluated on a competitive and impartial basis. The maximum scholarship award is \$500 per applicant. Previous recipients are welcome to apply again.

#### Please note the following restrictions:

- All camps/programs will be considered with the exception of those with a religious affiliation.
- Seattle School District students or Seattle private school students **currently** between grades 6 through 11 may apply, including home schooled students with SSD affiliation. SSD students will be given priority.
- No transportation costs will be provided.
- In-state camps/programs will be given priority. Out-of-state programs will be considered if funding allows.
- It is the responsibility of the student/family to apply to the camp of choice directly. That application is **in addition** to your Summer Enrichment Scholarship application.
- Anyone related to a current Assistance League of Seattle member is not eligible.

### Part 2 – Student Essay Questionnaire

Please give some thought to each essay question. Your handwritten or computer-generated response must be attached to the application form.

### Part 3 – Counselor/Teacher Recommendation
