# Program Funding

The Seattle Public School district funds the director's salary. **The district gives no additional funds for the program.**

The BHS Performing Arts Programs are funded exclusively from:

- ASB funds (Associated Student Body)
- Ballard Performing Arts Booster Club funds and donations.

# ASB Funds vs Booster Funds

## ASB

(Associated Student Body)

Funds go to the school's budget.

These funds can cover costs of uniforms (new, dry cleaning and repair), sheet music, instrument repair and replacement, and transportation for day fieldtrips. **These funds cannot be used to pay for additional instruction or scholarships.**

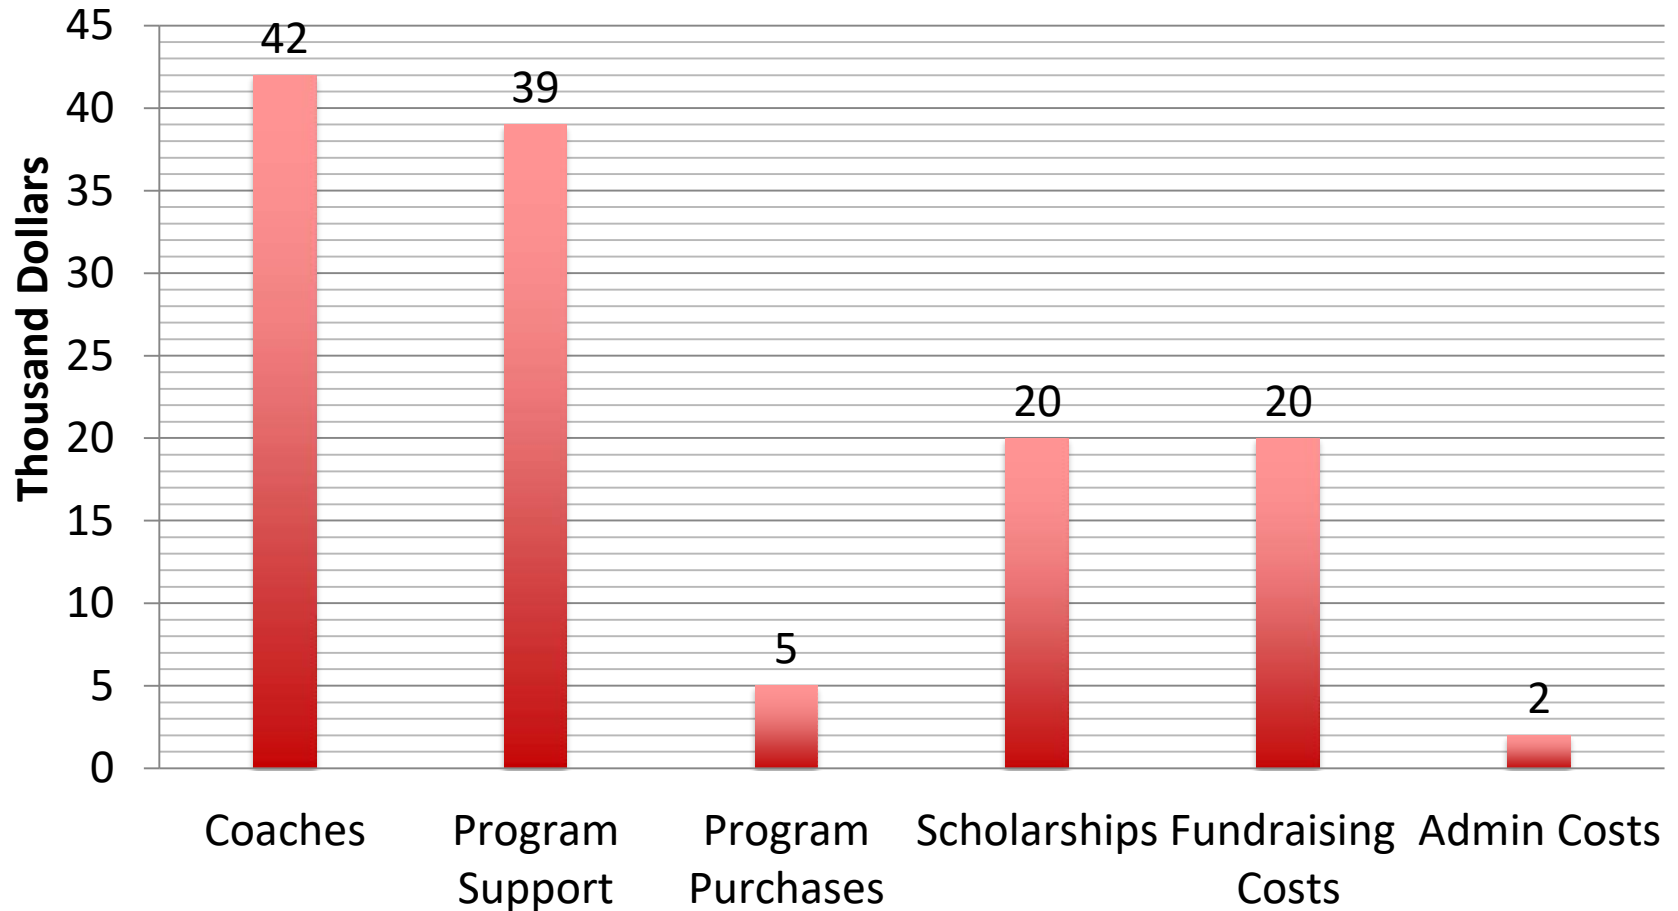

## Boosters Club

Boosters budget can pay for any BPA related expense but we choose to use the money to fill the void of what ASB cannot, by law pay for.

This includes scholarships and additional instruction.

The balance of our budget covers other program costs, fundraising and administrative costs.

# BPA Booster Budget

Total estimated budget 2017 18 \$128,150.00

# **Program Fees**

These fees cover the annual costs per student.

None of the Program Fees go to the Boosters budget.
