

Host a Japanese Exchange Student at Ballard High School!

March 2nd ~ March 12th (10 nights)

Open your hearts and your homes to a student from Japan!
Host families are needed for 15 Japanese HS students who will be visiting Ballard HS this spring. Add an exciting international experience to the school year!

Experience another culture without leaving home!

Who can host?

- Hosting an exchange student can be a satisfying experience for people from all walks of life and with a variety of family situations!
- As the students are coming to study English, English should be the main language spoken in the home.

Host Families Provide:

- A warm and supportive atmosphere – like part of the family!
- Room and board (3 meals a day, including sack lunch or cash for hot lunch, and a student needs own bed in a closed room and may share a room with the same gender of host sibling)
- Transportation to/from Ballard High School (Riding Metro or walking with host siblings are fine)

Host Families Receive:

- The opportunity to make lasting friendships and learn about another culture.
- An international experience for their children- without ever leaving home!
- The chance to make a difference in a Japanese student's life.
- Comprehensive support and assistance from our program coordinator.
- \$25/night stipend (\$250 total for program) to reimburse expenses.
