

Following Kroger's tragic decision to finance abortions for employees, I will be taking my business elsewhere. Companies that provide real, non-violent support for the women (and men) in their employ - parental leave, family-friendly policies, & other benefits - are infinitely more deserving of my hard-earned money. After all...

Food is for Life!

I switched to:

- ☐ Meijer
- ☐ Wal-Mart
- ☐ Jungle Jim's
- ☐ Other _____

Love them both.
