

**PRIVATE COOKING CLASSES**  
**TAUGHT BY**  
**PHILLIS CAREY "THE CASUAL GOURMET"**

Are you ready for a fun entertaining as well as educational time? Book your private class or event with Phillis Carey and it's a guarantee!

If you have a gourmet group, a birthday dinner to plan, Bridal or Baby Shower, a club meeting or just a bunch of friends who like to get together the **demo classes** are lots of fun. Treat everyone or have everyone share the cost. Make this a one-time event or plan classes monthly, bi-monthly or quarterly.

If you have a particular skill you want to learn or practice or if you want to brush up your cooking skills the **hands-on classes** are the way to go.

The theme of your class can be anything really--Knife Skills, Easy Everyday Dishes, Grilling Techniques, Italian, French, Thai or Indian Cuisines, Cooking Fish or Chicken, Main Dish Salads, Cocktails and Hors d'oeuvres--I've even done a class on Cooking with Blue Cheese!

For a 3-hour private **Hands-on cooking class** for 1 to 3 people in your kitchen I charge a fee of \$300 plus the cost of the food—you handle the clean-up.

For a 1 1/2 to 2 hour **Demonstration cooking class** for up to 12 (additional fee for each person over 12) are \$475 plus \$125 for my assistant plus the cost of the food--we clean up through serving dessert.

These classes can be held in your home, other venue or in the Culinary Kitchens at either Boys and Girls Clubs in Solana Beach or Encinitas or at the La Jolla Community Center (if held at these locations a 20% rental fee will be added to the above costs.)

A \$100 nonrefundable deposit is due when the event is scheduled and another \$100 nonrefundable deposit is due 2 weeks before the event. Final payment is due the day of the event.

For these fees I will plan the menu with you, develop the recipes, print them so each person receives a copy, shop for all the food, set up, demonstrate how to cook each recipe, serve the food and provide an entertaining and informative event.

Even if this description doesn't fit exactly what you have in mind but you have an idea of what you would like in a class contact Phillis and she'll work out the details with you!
