Dear Parish Family,

First and foremost, "Thank you." Thank you for your amazing faith, thank you for your dedication and remarkable support of St. Luke's. This year's Stewardship Campaign "Walking the Path Together" is a perfect theme for our church family because we are walking a new path, writing a new chapter for our church.

Everyone has given so generously of their time, talent, and financial support. Now is the time to once again prayerfully consider your pledge amount to support St. Luke's as we embark on an exciting new journey. Everything we have is by God's grace and blessings. Committing to a pledge for our church is one way of giving thanks for all the blessings we have received.

For our church to continue serving the spiritual needs of our members, living up to our Mission Statement "to be a spiritual community empowering disciples to know Christ and make Him Known", and meeting our financial obligations requires pledged giving. In fact, an example of the importance of pledging is evident from last year's budget which was approximately \$342,000. Of that, \$259,000 was from pledged funds equaling 75% of the operating budget. Our goal this year is simply to have everyone pledge. This action will enable us to develop next year's budget so we can continue to Walk the Path Together.

All of us have different abilities to give. Attached is a monthly giving chart that might be helpful. We are asking that you prayerfully re-evaluate your pledge amount. Is there a way to give perhaps 10% more than last year? Can you give up one Starbucks, one Sonic drink or one restaurant meal a week, in order to increase your pledge amount to the church?

Your pledge commitment is a very personal decision. Pray and ask God's guidance about the right amount for your family.

Thank you for your time and consideration during this year's Stewardship Campaign. It is very important as we grow, walking the path together and spreading God's message.

In His Name,

Senior Warden
