PROFESSIONAL CONTRACTOR SUPPLY

Precision. Commitment. Service

Your single-source supplier for mechanical, plumbing, and pipe-trade tools, safety equipment, and jobsite consumables — shipped nationwide

Our Mission To You

PCS empowers mechanical and plumbing contractors with world-class service, trusted brands, expert support, and dependable multi-channel fulfillment, pairing local NorCal care with national scale to keep jobs moving safely and efficiently.

We connect contractors, suppliers, and field professionals with integrity and teamwork — creating lasting value for our customers, employees, vendors, and communities.

Fast, Nationwide Delivery

Over 850,000 sq ft across four warehouses and two distribution centers, built for same-day local delivery and 2-3 day nationwide shipping.

Strategic Coverage
Strategically placed in Las Vegas, San Diego, Hayward, Dallas, and Ohio to minimize transit time nationwide.

Same-Day Service In Local Markets
Bay Area orders from our Hayward branch delivered same day, so crews have critical gear when needed.

Best-In-Class Automated Logistics
Advanced systems ensure accuracy and speed from order placement to delivery confirmation.
