

Customer Webtrack Portal **Online Account Access 24/7** **Statements | Invoices | Online Payments**

As of 8/1/2024 Invoices and Statements will no longer be printed and mailed

National Lumber's Customer Webtrack Portal is an online tool to allow our customers access to their account 24 hours a day, 7 days a week. By using the portal, you have access to the following features:

- Review your overall account balance owed and review balances broken out by job.
- Review the receivable aging on your account.
- You can make an online payment using either:
 - a credit card (Fees will apply)
 - or directly from your bank account (No additional fees apply)
- Ability to review and reprint invoices, credits, and past statements.
- You can create an interim statement on demand up to today's date, if you want a mid-month statement created to reconcile your invoices.
- For cash customers, you can add or remove stored credit card information that is kept on file and encrypted on your account for easy payment access at our stores.
- Add and update contact information on your account.

To log in or to request access to the portal, visit this link:
