Dear Sir,

RE: LCFL & LIKONI PUBLIC SECONDARY SCHOOLS COUNTERING VIOLENT EXTREMISM THROUGH SPORTS

I am writing to bring to your attention the subject position.

Likoni Community Football League CBO is a community based organization that has been in existence since May 2011. Our purpose and initiative is to use sports in general, through games and drills, to address, tackle and probably find solutions to existing community & societal challenges and problems. Every active season of play sees us adopt a theme, which is a societal challenge, that is then addressed,all through the season, through games and drills.

It is in this light therefore that this season we are adopting the **"Countering Violent Extremism"** theme and are hoping to work with Public secondary schools in Likoni in a bid to curb the ever growing challenge or rather menace of youth gangs in Likoni.

We therefore write to your noble office seeking audience, approval and formal introduction to schools heads all geared towards having a smooth and successful implementation of the above mentioned programs. The schools targeted are herein listed as follows:

1. Mwahima Secondary School
2. Mrima Secondary School
3. Puma Secondary School
4. Likoni Secondary School
5. Moi Forces Academy, Mombasa
6. Mweza Secondary School
7. Bububu Secondary School
8. Shika Adabu Secondary School
9. Mtongwe Girls Secondary School

Looking forward to your speedy and favorable response

Kind regards

Kevin Odhiambo Wambura
