# **BRING A FRIEND TO DANCE!**

Each student at Central Dance Academy is invited to "bring a friend" to dance week Monday Sept 23 through Saturday Sept 28.

Friends are invited to participate in every class along with your student.

Friends may wear snug fitting clothing that is easy to dance in. Socks work best and they should have their hair pulled back.

If your dancers friend enrolls in class for at least 3 months you will receive a \$30 discount off of your tuition for one month!
