

## Walton National Sustainability Teachers' Academy

### **Sustainability in your classroom, campus and Community**

The National Sustainability Teachers' Academy provides K-12 teachers with the knowledge, skills and tools to become agents of change. By infusing sustainability concepts and practices into schools, teachers can have a profound impact on motivating future leaders to create and innovate solutions to the economic, social and environmental challenges of our world.

#### **Program Details:**

- Two-person teams of current K-12 teachers from the same school or district are encouraged to apply
- Teachers of all subjects are welcome
- Selected teams will participate in a hands-on, five day professional development workshop
- Within one year of the workshop, teams will complete a sustainability project in their school
- Each individual will receive a \$700 stipend for participating in the workshop
- Participating teachers will be eligible for an additional \$300 stipend for implementing a sustainability project with their students
- Lodging, meals and travel allowance are also paid for by the Academy

#### **Dates and Locations:**

- June 5-9, 2017 - Arizona State University, Tempe, AZ
- June 26-30, 2017 - Emory and Henry College, Emory, VA

**Apply now:** <http://bit.ly/2kqPdkG>

**Applications are due April 13, 2017**
