“SUN Airport Art Committee Seeks Works for Six-Month ‘SUN Art’ Exhibition”

The SUN Airport Art Committee (SAAC) is seeking artists to submit two-dimensional works for exhibition in the airport’s public spaces. The SUN Art exhibition will feature up to 30 pieces of artwork, and will be on display November 10, 2016 - May 18, 2017. An independent jury consisting of representatives of the airport, the Hailey, Ketchum and Bellevue Arts Commissions, and area galleries, as well as local arts advocates, will select the work. The upcoming show will be the fourth SUN Art exhibit installed in the Friedman Memorial Airport (SUN).

The project is open to artists 18 years or older residing in Blaine as well as all artists who create work that is inspired by Central Idaho. There is no fee to apply, nor will an honorarium be awarded. The deadline to submit applications is Friday, October 14, 2016.

For a copy of the call and the application, visit www.iflysun.com, www.haileycityhall.org or www.ketchumidaho.org.
