Merry Christmas and a Happy New Year!

Founded in 2010 by Chef José Andrés, World Central Kitchen (WCK) is a nonprofit organization that is first to the frontlines providing fresh meals in response to crises. WCK partners with organizations on the ground to activate a network of local restaurants, food trucks, and emergency kitchens so that people can have their meals quickly and effectively—i.e., NOW. To support regional economies, WCK purchases local ingredients to cook with or distribute directly to families. Since its founding, it has served more than 500 million meals throughout the world that are comforting, nutritious and culturally respectful.

The Alternative Giving Program will designate the donation made in your name for WCK's operations in Gaza. Since October 2023, WCK has served more than 150 million meals in the territory. However, the needs there are immense. Many families rely on WCK kitchens for daily meals. In mid-November 2025, World Central Kitchen was serving more than 700,000 meals each day in Gaza. *Its goal is to serve one million per day.*

"At WCK, we believe that our shared humanity begins by sharing a plate of food. I know that you believe that, too. Thank you for your support. Thank you for understanding the power of food to change the world." -- Chef José Andrés

WCK is a 501(c)(3) organization and commands Charity Navigator's highest rating: 4-star, 100%.
