Functionality & Unique Branding

The Ball Hubs are an optimal size to keep tennis balls from venturing into adjacent courts, thus reducing the number of lets during matches, clinics, and lessons.

Historically, sponsorship signs were tied to the fence on the far side of an open flow series of courts, away from the action. Now, sponsors can adorn CourtHarbor's Ball Hubs and be in direct line of sight of spectators.

Asked Questions

Q: How do I get a Ball Hub?
A: Contact CourtHarbor at 800-888-8888 or visit our website at www.court-harbor.com.
Q: How long does it take to install?
A: Installation is quick and easy, taking only a few minutes per court.
