

Wool Sock Collection

Help improve the health and comfort of a homeless person

- The Junior League hopes to deliver 300 pairs of **wool and wool blend socks** to Safe Harbor Health Clinic this winter to help our community's homeless.
 - When it's cold out your feet will be toasty and warm in **wool socks**. **Wool** can absorb a high amount of moisture — much more than cotton. **Wool** can actually hold a third of its weight in moisture before it even starts to feel "wet." **Wool** keeps its insulating properties while wet.
- The risk of “Trench Foot” is reduced when feet are kept clean, warm, and dry.
- Please donate to help the homeless prevent trench foot.
- Safe Harbor will distribute the wool socks to their clients. Sock Collection ends February 28, 2017

The Junior League of the Champlain Valley is an organization of women committed to promoting voluntarism, developing the potential of women and improving the community through effective action and leadership of trained volunteers. Our purpose is exclusively educational and charitable. For more information please email: vermontjlcvc@gmail.com or visit our website at www.jlcv.org.
