Join Team Little Mill/GPI for the 2018 PGA Junior League!

PGA Jr. League is a game-changing opportunity for boys and girls to learn and play golf. The program brings family and friends together around fun, team golf experiences with expert coaching from PGA and LPGA Professionals.

PGA Jr. League is all about the recreational and developmental nature of regular season matches, held between April 1 and July 31.

During the course of one game, teams play four 9-hole matches in a popular two-person scramble format, reinforcing the team concept and creating a nurturing environment for learning the game. Coaches can also substitute players every three holes, so that all of the golfers on each team can participate.

PGA Jr. League is open to both boys and girls, 13 and under of all abilities!

The recreational nature of the regular season provides opportunities for skill and character development - on and off course - in addition to plenty of opportunities for fun, friends and family engagement with golf

Cost: \$200 per participant, please visit PGAJRLeague.com to sign up and help Team Little Mill/GPI have another successful season.
