

GAME DESIGN & SIMULATION

LONE STAR COLLEGE-HOUSTON NORTH

OVERVIEW

From concept to completion, students pursuing a degree in Game Design & Simulation will learn what it takes to create characters, artwork and stories in the "behind the scenes" world of video games. The Game Design & Simulation program will allow students to take their passion for playing games and shape it into the development of games. Upon completion, students will have experienced all aspects of the game design process from concept to completion.
