### WHAT ARE WORKFORCE PROGRAMS?

A workforce program is a short-term academic program designed to increase employment initiatives through the support and guidance of community agencies, companies, and organizations. Lone Star College-Houston North believes that a strong collaboration with the surrounding community helps create and sustain a viable workforce.

Workforce programs allow individuals the ability to grow their skills, knowledge, and develop the tools they need for business success. Lone Star College-Houston North provides hands-on training to ensure that each individual can become more productive and prosperous in the workplace.
