

# Strategic Annual Cycle of Effectiveness (ACE) Goals 2021-2022 Presidential Priorities

LSC Strategic Goal	Academic Program Quality	Culture	Financial Responsibility	Partnerships	Student Success
<b>LSC Strategic Goal Definition</b>	Provide high quality academic and workforce programs that enhance students' learning experiences and prepare them for employment in modern industries	Demonstrate LSCFocus Cultural Beliefs in implementation of the Strategic Plan to create experiences that engage all Lone Star College stakeholders in organizational success.	Ensure sound financial practices, transparency with stakeholders and fair allocation of budget and resources.	Build strong, visible partnerships with Independent School Districts (ISDs), institutions of higher education, civic and charitable organizations, local government agencies, businesses and industries to further strengthen a thriving community	Foster equitable student success outcomes by promoting excellence in student-centered teaching, learning and support services
<b>LSC Strategic Goal Objectives</b>  <i>*Not required to address each LSC SGO</i>	<p>1. Quality &amp; Relevancy of Curriculum: Ensure high quality, relevant programs by championing innovation in curriculum and instruction and ensuring that instruction, technology, equipment, and facilities align with discipline and industry standards.</p> <p>2. Post-LSC Achievement: Improve program quality through connections with employers, transfer partners, and the community to increase student opportunities for practical learning experiences, engagement with innovative technologies, internships, apprenticeships, research and jobs.</p>	<p>1. Strengthen the LSC Culture: Apply LSCFocus Cultural Beliefs when shaping interactions, methodologies, rationale and tactics for both daily work and largescale Strategic Plan initiatives.</p> <p>2. Strengthen the LSC Community: Apply LSCFocus Cultural Beliefs when shaping community interactions, initiatives and partnerships.</p>	<p>1. Responsible Stewardship: Uphold a financial structure and practices that support the Lone Star College Mission and Vision, including regular policy and legislative compliance monitoring.</p> <p>2. Revenue Expansion: Expand resources through the cultivation of new revenue streams</p>	<p>1. Partnerships with Educational Institutions: Strengthen and expand partnerships with ISDs, colleges and universities, as well as between Lone Star College locations, programs, and divisions for seamless student navigation and transition.</p> <p>2. Partnerships with Community &amp; Industry: Strengthen and expand partnerships within relevant industries and with community, state and national organizations to support opportunities for students and programs</p>	<p>1. Excellence of Student Experience: Provide comprehensive services and strategies to promote equitable student access and success throughout the student journey, from enrollment to graduation and beyond.</p> <p>2. Structure of Support for Equitable Student Success: Encourage students' sense of connection, belonging, and potential in all touchpoints by ensuring an ongoing commitment to diversity from the college community</p>
<b>College Strategy</b>	Expand the workforce offerings at the LSC-HN locations.	Develop a structure for implementing the campus values (Students First, Community Matters, Collective Responsibility, Strategic Innovation) throughout each department within the organization.	Develop a budgeting process that will support the overall goals of LSC-HN in a manner that is cost-efficient and promotes stewardship of allocated funds.	Develop community partnerships that will enhance the LSC-HN student experience and position LSC-HN locations to support efforts to improve key educational and economic community outcomes.	To develop an academic and student support structure that will increase student persistence and completion.
<b>Unit Objective</b>	1. Identifying and providing resources to add Land Surveying and Computer Science workforce programs to the LSC-Houston North Inventory.	1.
