**A Picture is Worth a Thousand  
Words: Proactive use of Visual  
Strategies to increase Student  
Achievement and Positive Behav-**

**iors.** This presentation will show  
how "proactive" strategies, partic-  
ularly visual strategies, can be put  
into place for children of all abili-  
ties and in all settings, resulting in  
an increase in positive behaviors,  
independence and task comple-  
tion leaving more time for mean-  
ingful instruction and less time  
putting out "fires". \*There will be  
time to network and plan strate-  
gies for use in your classroom!

Kerri Mohnsen graduated from the  
University of Nebraska-Lincoln with a  
B.S in Education and her M.S. in  
Speech/Language Pathology. She  
has worked with children with com-  
munication, learning and behavioral  
challenges for over twenty years in  
various school districts and has also  
taught at the university level.
