

Indian River County Historical Society

To Our Members and Supporters,

As the newly elected President of the Historical Society, I am excited for our year ahead! The work of the Historical Society is important, and it is a privilege for me to serve this organization.

The Indian River County community and our members are at the heart of our mission to save, preserve, and restore the historical and environmental resources of Indian River County. With a small and tight annual budget, we rely on our memberships and donations to make it all work.

In the year ahead, my focus will be on strengthening our membership base and our community engagement to broaden our reach and ensure a strong future for our organization. I also look forward to exploring new ideas to create more opportunities for our organization.

Thanks to your involvement. None of what we do would be possible without the dedication of our members and community partners. Every member - new or long-standing - plays an essential role in our success. We are stronger when we work together.

With appreciation,

Jonnie Mae Perry

President
