RED RIBBON CONCERT

featuring the Air Force Band of the West

The San Antonio Council on Alcohol and Drug Awareness - Youth Prevention Program - has been hosting an annual Red Ribbon Concert each year in San Antonio, Texas during National Red Ribbon Week in October. This year, due to COVID-19, the Air Force Band of the West will be offering **virtual concerts** straight to the children.

This year, schools will have the opportunity to stream or upload the concert straight into any classroom digital platform during

Red Ribbon Week, October 23,-31, 2020.

To procure the online concert, contact **Master Sergeant John Garcia, Band of the West Director of Operations**, at Band.media@us.af.mil or call (339) 927-1730.

**Red Ribbon Presentations are available Monday - Friday
the entire month of October.**

SACADA's Youth Prevention Specialists are available for Red Ribbon Presentations and can supply Red Ribbon incentives for students, while supplies last. For more information, contact Elizabeth Davis at edavis@sacada.org.
