We strive to make our worship experience as accessible as possible.
For assistance, or if there is anything else we could provide,
speak to an usher or staff member.

WE PREPARE

*Please stand as you are comfortable.

Welcome

*Opening Prayer

*God of wisdom and learning,
strengthen our souls to hear your will
for our lives and the world
so that we can live it out
and in all things give you thanks.*

*Although we all differ in our talents
and graces given by you
to do your work,
we are all one in Christ Jesus,
and all are necessary
for the functioning of the church.*

*Your steadfast love endures forever,
and so we gather together as one body
to bow down and worship you.*

We pray these things in Jesus name.

Amen.

Prayer

Lord's Prayer

*Our Father who art in heaven,
hallowed be thy name.
Thy kingdom come, thy will be done,
on earth as it is in heaven.
Give us this day our daily bread
forgive us our trespasses
as we forgive those who trespass against us.
And lead us, not into temptation,
but deliver us from evil:
For thine is the kingdom, and the power,
and the glory, forever. Amen.*

I am a fan of the simple graphics but feel free to try things. If you are having trouble finding an image that you like try setting the style to line art or another you'd like. The goal is to find images where you can completely change the color.

Gray Azure is the color to change any graphics to. The accent red is called "orange" in the color selector. Why I don't know.

On the left are examples I have pulled straight from Canva, changed the color, and maybe flipped horizontally or rotated.

The right is semi custom ones by squishing multiple simple ones together by flipping and rotating. I have included the individual pieces.
