Greater Milwaukee Association of  
**REALTORS®**

In response to the growing concerns and rapidly evolving circumstances regarding coronavirus (COVID-19), the GMAR will take the following actions, **effective Friday, March 20th**:

### Operations

- The physical GMAR office will be closed to the general public and members until at least April 6, 2020. Prior to that time we will re-evaluate the situation and determine if we need to extend the closure.
- All GMAR courses, in-person meetings and events within this time frame are cancelled.
- The GMAR staff will remain accessible and available to members during regular business hours via phone or email.
- The GMAR will be able to answer incoming phone calls remotely, and route them to the appropriate staff for timely responses.
- Members who wish to get their SentiLock credentials or lockboxes can call 414.778.4929 or email Emily ([emily@gmar.ws](mailto:emily@gmar.ws)) or Alberta ([alberta@gmar.ws](mailto:alberta@gmar.ws)) for further instruction.
- All future programming is also under review to determine if it can be rescheduled and/or offered virtually, on-demand, or by other means.

### Future Notices and Communications

- For the foreseeable future, members can expect increased communications from the GMAR regarding coronavirus developments via updates, the weekly newsletter, social media, and other means.
- These (and likely additional) actions, are intended to protect the health and safety of our members, staff, and the general public with whom we interact.
- We encourage all members and staff to follow the recommendations of federal and state health officials to remain safe and to stem the spread of this virus.

Please stay healthy by following the [CDC's coronavirus guidelines](#).
