

After a lengthy career in banking and financial services, while serving as President & CEO of Republic Capital Service Corporation, Tom began his real estate career with RE/MAX in 1988. Over the years Tom worked for several other real estate firms and ended his career back at RE/MAX Service First in Waukesha as Broker Associate.

Tom's specialties include new construction and helping the military & veterans with their real estate needs. Tom has closed over 1200 transactions resulting in well over \$150 million in sales. Real estate accomplishments aside, he will best be known for his volunteerism and dedication to charities & causes he loved. Tom served as a previous member of the GMAR Youth Foundation board of directors. His wife, Barb, and he are supporters of the Waukesha Memorial Hospital Foundation, Autism Speaks Milwaukee Walk, Fisher House Charities, the Honor Flight, the Waukesha Noon Lioness, and Messmer High School.

Within the RE/MAX Service First office Tom chaired several fundraising initiatives including for the Waukesha Food Pantry, Toys For Tots, and was a regular bell ringer for the Salvation Army. Tom's wisdom & knowledge, along with his dedication to younger agents & their success, will be missed.

In lieu of flowers, we ask that you honor Tom's commitment to serving others by: volunteering in the community, donating items to an organization in need, donating blood, or making a donation in memory of Tom's life to [Messmer High School](#); [Fisher House Wisconsin](#) or another charity close to you.

Any donations may be made to the family to be used as they see fit. Donations can be mailed to RE/MAX Service First, 21075 Swenson Drive Suite 200, Waukesha, WI., 53186.
