“Spring in the Buyers”

The market hasn't slowed down and buyers are eager to stop paying rent and get into that new home. Many buyers don't have funds right on hand for a down payment. As a Realtor you will work as hard as you can to find that home BUT do you know what grant programs are out there that some of these buyers might be able to take advantage of to get in that home faster with less down payment?

SHOW ME THE GRANT MONEY\$\$\$\$. Join us for this FREE educational session as the Lending Ladies have invited some of the top grant experts in the area to explain what is out there and what you need to know to help get that buyer into that home much faster. Spring is in the air and let's educate them now so you can close more purchases this year. If you have any specific questions e-mail those to us when you register and we will be sure to address those during our session.

LIMITED SEATING and a reservation is kindly required. Don't miss out on this FREE educational session to make you more successful and knowledgeable. *NOTE space is limited; please if you make a reservation and can't attend please let us know we get immediate alerts on our e-mail site. We have a waiting list each month so we would appreciate this courtesy.*
