Sarah Cole:

Sarah Cole obtained her real estate sales and broker's licenses in 2011. She affiliated with a well known, larger real estate company initially, then in February 2014, she opened her own company and had her best year in sales. Since then, her sales volume has grown every year in the business. Her previous company still sends her referrals and they occasionally work together on short sales. Sarah has attended the National and State WCR/NAR/WRA conventions and events since beginning her career in real estate. She believes in growth and continuing education which enable her to stay current with the latest trends and everchanging market conditions while serving as a great broker and leader. Sarah was elected President-Elect for Women's Council of Realtors® in Milwaukee and then served as President for 2013-2014. During that time she was able to grow the chapter in size, was recognized nationally with a retention award and has gained monetary rewards for the chapter. She has also served as Women's Council 2015 Governor, 2016 State President-Elect, and 2017 State President. Sarah just completed her term on the WRA Board of Directors; she currently serves on the GMAR Professional Standards Committee and GMAR Public Policy Task Force. Sarah is also a dedicated mom of 7 wonderful children! She believes these successes demonstrate strong drive, leadership, planning, decision making, delegation and organizational skills, all of which will be put to use serving as your GMAR Director — please give her that opportunity by voting now for Sarah Cole!
