

## *Positive Behavior Support Parent Academy*

The Center for Leadership in Disability, in partnership with the Georgia Department of Public Health, is hosting a Positive Behavior Support Parent Academy training series. Parent Academy trainers help parents and caregivers complete the Positive Behavior Support process to understand, prevent, and replace persistent challenging behaviors of children ages 3 – 5 years old. Please join us for the opportunity to bond with other families, learn valuable skills, and walk away with additional tools for your toolkit!
