

Salem Presbytery Office Furniture Inventory June 18, 2020

This inventory is prepared for the convenience of our churches to identify items in the Presbytery office that may be of benefit to a particular church ministry. With the sale of the Presbytery office, we must empty the building soon.

Please look through this inventory. Items are only identified by the #number beside the photo. Items will be claimed on a first claim basis and then must be picked up on dates identified below. Other arrangements for pick-up are possible, but not desired.

Please email Paul Sink at tayprespastor@hotmail.com to claim items using the numbering system beside each item photo. You may also call him at 828-632-4257. He will let you know if items are still available. Do not call Presbytery Staff to request items, as they are preparing to move as well as maintaining daily duties. They are not maintaining the inventory list and cannot assist you with this. If you need more information about any items, Paul should have what you need.

Pick-up Dates: Friday, July 3 (10-3)
Saturday, July 11 (10-2)

During these pick-up times, there will also be many other office items/supplies (non-furniture) available for you to select as laid out in the large conference room. All items are free for churches. A nominal donation to the Presbytery would be expected from any individuals wishing to claim items. All items must be picked up by July 11. Many items are duplicates. ONLY pick-up the item matching the number you claimed and have confirmed by Paul.

Thank you!
