

Steven P. Crawford MEMORIAL SCHOLARSHIP

To: All Oklahoma Public School Superintendents

From: Blake Crawford, on Behalf of the Steven P. Crawford Memorial Scholarship Selection Committee

The Steven P. Crawford Memorial Scholarship was founded by his family and funded through donations by his family, his friends in Oklahoma education statewide, and various organizations such as OSAC, OASIS, and others. It is our hope to continue to offer the scholarships for many years to come.

This is a one time awarded \$1,000 cash scholarship paid after proof of college enrollment. Four scholarships will be awarded to applicants from this year's graduating seniors from Oklahoma public schools. Only graduating seniors planning for a career in education are eligible to apply. Priority will be given to those applicants who plan to pursue a career in mathematics education, science education, or agriculture education. Steven majored in mathematics education, minored in physics education, and those who knew him understood how much he loved his cows and the family ranch.

The selection committee divided the state into quadrants via the dividing lines of I-35 and I-40 with a goal to award one scholarship per quadrant.

Student scholarship applications along with current transcript and one recommendation letter must be submitted to steven.blake.crawford@gmail.com by noon on Friday, April 10, 2026.

If you have any questions regarding the scholarship, please feel free to contact me via email: steven.blake.crawford@gmail.com.
