

# 2019 HAWAII STEM CONFERENCE

## CALL FOR PRESENTERS

STEMworks™ is pleased to announce the 2019 Hawaii STEM Conference on May 1-2, 2019 on Oahu, Hawaii. This two-day regional technology conference serves 1,000+ middle and high school students and 300 teachers. The Hawaii STEM Conference provides our STEMworks™ students the opportunity to showcase their service-learning STEM projects, network with other students and industry professionals, compete in competitions, attend hands-on STEM sessions, and much more. We also provide a professional development track for teachers.

**Presenter Fee: \$200 per presenter**

**Additional \$100 fee if you would like to be part of the Interactive Playground Session**

**Your presenter fee is waived if you sponsor the conference. Contact us today!**

**We are looking for teachers, industry professionals and trainers to provide:**

- Hands-on STEM sessions for our middle and high school students as well as teacher professional development sessions.
- Help students/teachers gain or enhance content knowledge.
- Demonstrate the use of STEM tools, software, hardware, and its possibilities

## YOU'RE INVITED TO HAVE A GRAND TIME!

- Included with your registration, presenters are welcome to join us for the STEMworks™ Spotlight, Teacher Professional Development Sessions, and the Interactive Playgrounds.
- Be part of the two hour Interactive Playground Session on Wednesday, May 1, 2019.
- Presenters are invited to attend the Hawaii STEM Conference Awards Banquet luncheon on Thursday, May 2nd, 2019. Join us in celebrating STEM in Hawaii and the STEM competitions student winners.
- Parking validation once per day.

The Hawaii STEM Conference would not be possible without our valued industry partners who dedicate their time, expertise and knowledge to help inspire the next generation of STEM professionals.

**We greatly appreciate your support!**
