

SUMMER SUMMIT '19

NATIONAL CAPSTONE CONSORTIUM

Simmons University ▪ Boston ▪ June 24-28 2019

The National Capstone Consortium announces our seventh Summer Summit, taking place in the heart of Boston at Simmons University, June 24-28, 2019!

Join us for programming and collaboration for leaders of all types of capstones, from fledging to mature programs, encompassing experiential and academic learning, at public or independent schools. Engage with the Consortium through the unique peer-to-peer networks we've developed over our past six years. Learn from special sessions that include diversity, equity, and inclusion in capstones, and the role of capstones in the college admissions process. Immerse yourself in the legendary camaraderie of the Summit!
