

NC Department of Health and Human Services

Update to Benchmarks

April 14, 2022

Today's Updates

- **Leadership Changes**
- **Bridge Funding**
- **FFPSA**
- **Update on Train the Trainer for MAPP**

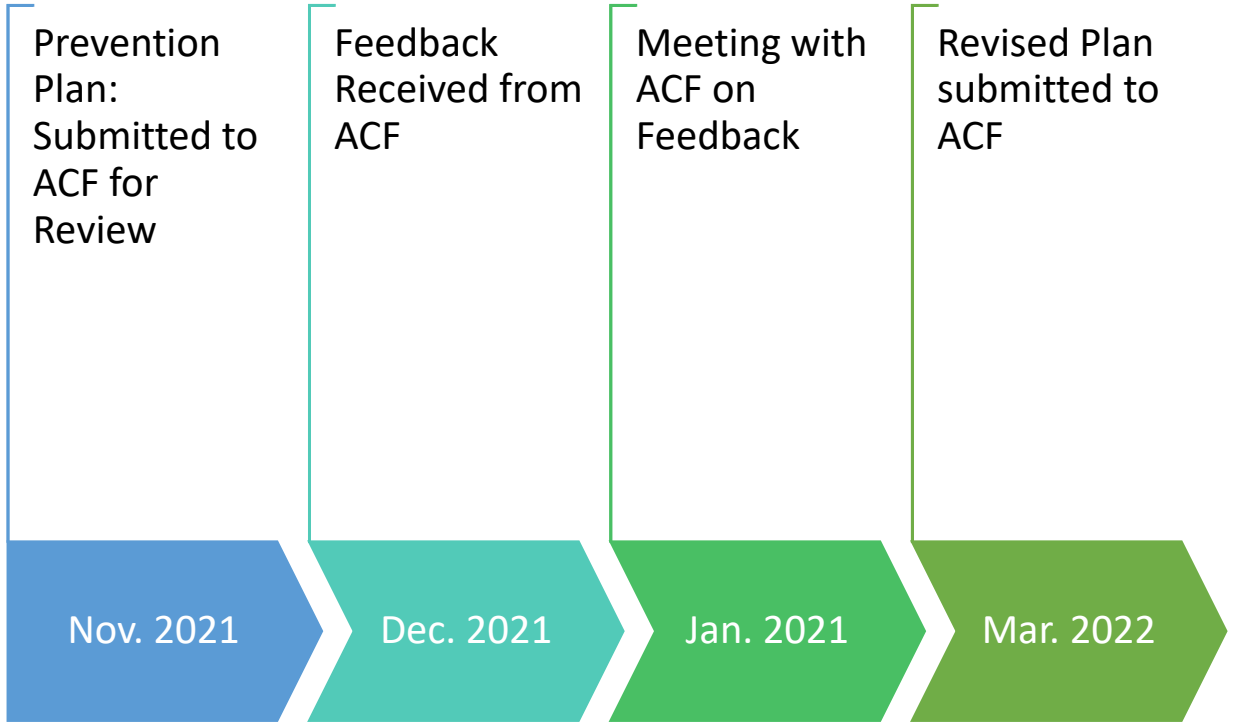

Leadership Changes:

- Tammy Shook, Interim Director Child Welfare Operations
- Adrian Daye, Deputy Director Child Welfare Practice
- Kimaree Sanders, Interim Section Chief Licensing and Regulatory Services

Bridge Funding for Congregate Care

- No change to county child welfare agencies
- Continue to pay agencies and receive revenue from the state
- Process still includes use of the state form 5094
- Counties put the cost of congregate care on the form and they receive the revenue from the state
- No change in process for the counties however there is a state adjustment to use IV-E for fourteen days and then move to Bridge Funding
- Information about this has been covered in webinars and a DCDL
- Will reiterate this as we have heard that there are counties that are not aware
- If there are problems, please escalate to the county DSS director

Proposed Region Map Adjusted to Balance Counties

Increase in TIPS MAPP Leader Certification

- 7 courses from August 2021-April 22
- 2 scheduled in May and July
- Will have at least 5 between August and December
- Able to provide this due to adding more state trainers
- Prioritized the first to go into training those agencies with less than 2 trainers
