In 2022 the NC Chapter Leadership Team desires to promote collaboration, communication, and innovation here in our State by focusing on increased Member input, presentations, and shared feedback. Through our quarterly scheduled meetings, subcommittee pursuits, virtual meet ups during the year and in coordination with National FFTA activities we look forward to strengthening our Chapter.

We are excited to share our meeting format for this year, we look forward to all of the possibilities that will come from shared innovation and conversations on "what is working" as well as many success stories. As in the past, each quarterly meeting will focus on a specific topic area impacting the delivery of family and child services.

- **Introduction** of New Members & Guest Collaborators (5 minutes)
- **Updates from Chapter Subcommittees & FFTA National**: to include Public Policy Updates (Federal and State); Membership benefits and updates; and Kinship activities with State level implementation. (20 minutes)
- **Innovation Platform**: NC Chapter member Agency show & tell. Ideally 2 agencies will have the opportunity to showcase innovative work being done related to meeting topic or other areas of interest and benefit to the Chapter. We hope to showcase and converse about public/private partnerships; innovation in Diversity, equity and inclusion, and service/treatment models supporting Evidenced Based subject matter. We encourage the shameless sharing of topic concepts & resources, ideas on replication, benefits of project, and if possible, bring a partnering agency/stakeholder. (45 minutes shared)
- 10 minutes of "**What do you need-how can We help?**" : an opportunity for Chapter members and attendees to ask for assistance, input, feedback, resource linkage and information.
- 10 minutes to Focus on Self-care activities, success stories, bragging rights
- 30 minutes of flex time to allow for overage on any section due to awesome participation or additional presentations/conversation!
