

The Community Engagement and Empowerment Team of NC DHHS DMH/DD/SUS, in partnership with the Bailey Church of God, is pleased to offer a virtual training on Reducing Stigma in our Communities.

Reducing Stigma in Our Communities

Friday, April 22, 2022, 2:30-4:00 PM

This training will cover the definition of stigma, the three elements of stigma, how discrimination and stigma are intertwined with each other, and will identify some practical methods of reducing stigma in our communities. The target audience for this presentation are community stakeholders with an interest in working to reduce stigma against individuals who are primary consumers of mental health, substance use and/or intellectual and developmental disabilities services.

Registration is required to participate in this training.
