

**Prayer Requests for Rest for Campaign
against proposed Abortion Bill in QLD
written 8th October 2018**

1. For godly government that we the church and the unborn can live peaceably and that our MPs govern with a Fear of the Lord (1 Tim 2:1-4)
2. That Jesus would continue to bless the unborn in this state, those not even conceived yet & put a special hedge of protection around them
3. That this Bill does not pass (literally declare/decreed: THIS BILL SHALL NOT PASS IN JESUS' NAME)
4. Keep decreeing LIFE AND LIFE MORE ABUNDANTLY ACROSS QLD
5. That churches right across Qld AWAKEN to the reality and the need to act justly and walk humbly with their God. But they do need to ACT
6. That there is a MAJOR shacking up between now and the vote which literally STOPS this Bill going through so that abortion will never be decriminalized in our state. In Jesus' name
7. For Unity in the body of Christ on this issue
8. That many many people will rise up and pray and act
9. For mass salvations to Christ across Qld because this is the ultimate answer to social issues in our world

Debate will begin on 16th October
