

Mike Grannon

Mike and Lee Grannon started off their married life in Manhasset, NY and raised their children in New Canaan, CT, while Mike worked in NYC. The Grannons moved to this area, largely because of its proximity to the Sound, shortly before Mike retired. They looked at other area churches and felt St. Paul offered the most welcoming and friendly atmosphere, yet still offered a liturgy we were comfortable with.

Mike has been married to his wonderful wife, Lee, for 34 years. Their 32 year old daughter, who is married and has one son, lives in Massachusetts and is a lawyer in Boston. Their 31 year old son works in reality TV production in LA.

Mike worked as a commercial banker for the then Chemical Bank and after he left banking, worked on acquisitions and divestitures and helped manage businesses owned by a private family. Mike has recently started a new career as an independent agent for Aflac.

Mike's favorite way to spend his spare time is babysitting their grandson! He also enjoys chairing the New Adventures Team, continuing to learn about and appreciate wines and walking with their two dogs.

Mike and Lee have been members at St. Paul for about 10 years. He understands these are very challenging but exciting times for St. Paul and is thankful to be able to contribute to our discussions about how we manage church affairs now and how we plan for the future.
