

REMAGINE®

PREMIUM FOLDING CARTON

Premium Folding Carton with a choice of 10% or 30% Post-consumer Recycled Fiber

Optimized print quality, converting performance, and cleanliness compared to other paperboards with recycled content

Post-consumer Recycled Fiber is FDA compliant for all types of food contact

Balanced color and shade are unmatched by other recycled paperboards

Forest Stewardship Council® (FSC®) Chain of Custody Certification

Reduction in greenhouse gas impact versus FBB, SBS, and CRB
