Sponsor the SEFW 2026 Fall Forum

Partner with SEFW to Advance Structural Engineering

The Structural Engineers Foundation of Washington (SEFW) invites your organization to sponsor our 2026 Fall Forum, taking place on **November 12 at Town Hall Seattle**.

This year's featured presentation, **"Preserving History Through Seismic Innovation: The Salt Lake Temple Renovation,"** will bring together structural engineers, industry leaders, students, and allied professionals for an evening of technical learning, networking, and professional engagement.
