

Camp Agape Northwest 2019 will be July 22-27, 2019. Volunteer training and set-up is on July 20. Reunion day is on Sunday July 21 and a bus will be provided from St Demetrios.

All visitors and volunteers (no matter how long they serve at camp, even if they come for 2 hours to do Kafenio) are required to complete a form and training. Reunion day is they only day that is open to everyone and does not require completing a form. Applications are now available at campagapenw.org and the deadline for applying is April 15. Applications not finalized by April 15 will be placed on a wait list.

Counselors are now called buddies, and must be 17 years of age. There will be limited spaces for other volunteers ages 15-17. All visitor and volunteer applicants will receive an email by May 31st informing them if they have been given a position or if they are on the waitlist. We would love to have room for everyone but we are limited by the camp facility capacity.

The applications are newly built this year on user friendly platform and are quicker and intuitive. All information is encrypted and kept confidential. This new application allows people to save their applications and return later. For applicants under 18 years of age a parent signature is required. Minors can save their application, and then forward the link to their parents so they can sign and submit.

New volunteers will need a reference and a peer interview.

There is new mandatory in person training for all volunteers on Saturday July 20, from 10:30 - 3:30 at St. Nicholas Church in Tacoma. This is an excellent opportunity to get to know other volunteers and for team building.

If you have questions or need help applying please email us @ campagapenw@gmail.com

Thank you!
