

SDITE 2017
March 26-29, 2017
Columbia, South Carolina

CALL FOR ABSTRACTS

The South Carolina Section of the Institute of Transportation Engineers, in cooperation with the SDITE Technical Knowledge Team, is now accepting abstracts for the 2017 SDITE Annual Meeting.

The 2017 Annual Meeting will occur on March 26-29, 2017 in the Columbia Marriott in Columbia, South Carolina.

Below are suggested topics:

- Emergency Response and Preparedness (e.g. Hurricanes, Floods)
- Traffic Control Devices (e.g. Traffic Signals, Roundabouts)
- Traffic Safety
- Innovative Geometrics
- Bicycle / Pedestrians
- Traffic Data
- Traffic Calming
- Access Management
- Transit
- Multi-Modal / Complete Streets
- Connected or Autonomous Vehicle Technology

Abstracts should contain the following:

- Title of Presentation
- General area or topic of presentation
- Brief Abstract/Summary explaining the Subject Matter (250 words or less)
- Special Presentation Needs (e.g. audio, visual)
- Name and Contact Information of Presenter(s)

Please submit your abstract in PDF format by Friday, December 16, 2017 to the e-mail address carrie.mussman@aecom.com.

For questions, please contact Carrie Mussman (Technical Committee Chair) at carrie.mussman@aecom.com or at 404-550-0884.
