

Devotional Questions: Lent Week 4

For each day -
Good news mantra: Like Jesus, I will choose love.

Sunday: When in your life have you felt cared for? How did that care impact you?

Monday: Who in your community needs protection and care? How is your community responding?

Tuesday: Is there a difference between offering protection and offering care? What is the value of both?

Wednesday: Scripture calls us to care for the widow, the orphan, the immigrant, and the child among us. In our current time, who would you add to the list?

Thursday: Acts of care and protection can often require different emotions and energy levels from us. Between the two, what comes easier to you – care or protection? How can you use that skill for good?

Friday: When you think about protecting the vulnerable, what actions come to mind? How can you live into this call faithfully?

Saturday: What boundaries or practices help you care for others with compassion while also honoring your own limits? How might tending to your wellbeing strengthen your ability to love like Jesus?
