Lindsey has accepted a position as a vocational coach for the Board of Pensions - CREDO Cohort program for one or two conference weeks per year. CREDO is an in-person, weeklong conference focused on pastors' wholeness and well-being. Each CREDO conference is led by a team of experienced faculty who guide participants in a visioning and discernment process through four key areas of well-being: spiritual, vocational, physical and emotional health, and financial. Lindsey will be a great asset to the program.
